### Ten Good Reasons

Here are ten good reasons why the New Deal has overstayed its time in Washington, and is facing defeat in the nation on November 7:

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong.

You cannot help small men by tearing down big men. You cannot help the poor by destroying the rich.

You cannot lift the wage-earner by pulling down the wage-payer, You cannot keep out of trouble by spending more than your income. You cannot further the brotherhood of man by inciting class hatred,

You cannot establish sound security on borrowed money You cannot build character and courage by taking away a man's

initiative and independence. You cannot help men permanently by doing for them what they

fould and should do for themselves.

## REDUCE

## OSCILLATION

EXCLUSIVE WITH PERSONALITY ROW

Oscillation is the name of a new technique for body shaping, which works on the principal that fat accumulates only in those areas where circulation is poor. . . . Oscillation works by delivering round circular throbbing strokes to your body-thousands per minute! And each of these strokes starts a ripple of movement in your body, which carries oxygen to starving cells. As the blood stream is set into motion, it carries away carbons, the carbons, that have been blocking your cells, making your muscles flabby, so that fat could accumulate. The treatment is restful—YOU DONT EVEN UNDRESS!

### OPENING DATE, THURS., NOV. 2

For the opening, Mr. Edward McGuire, originator of the Oscillation Method for Reducing, and Marcia Roth, will be here to discuss your own personal reducing problems. . . . Let Mr. McGuire demonstrate what Oscillation will do for you, WITHOUT ANY OBLIGATION TO YOURSELF . . . Mr. McGuire will be in the Salon from 2 p. m. to 4 p. m., and 7 p. m. to 9 p. m. Thursday only. Marcia Roth will be in the Salon all day, and evening. So plan to meet and talk with these experts on your weight reduction problems.

## An American Flag-Bearer

Mr. Earl Browder, the NUMBER ONE COMMUNIST in the United States, has called Gov. Thomas E. Dewey, Republican candidate for the Presidency, the bearer of 'the flag of anti-Communism.'

Gov. Dewey will readily and gladly agree.

The American people will most heartily agree and AP-

The flag of anti-Communism in the United States is not Republican flag, or any partisan flag, but our cherished and sacred AMERICAN FLAG.

It stands for our free AMERICAN institutions.

It stands for our hallowed and treasured AMERICAN raditions.

It stands for justice and liberty.

It stands for tolerance and brotherhood.

It stands for all the ideals and principles of our AMERI-CAN way of life.

Gov. Dewey is PROUD to be acknowledged and proclaimed as its bearer.

He is HONORED by the designation.

He is eminently capable and qualified to bear it with pride and honor, with responsibility and distinction.

Mr. Browder has done Gov. Dewey a service and, for the first time in his strange career, has done the AMERICAN PEOPLE a service.

He is RIGHT, as he said in his Chicago address-made in his role as president of THE COMMUNIST POLITICAL ASSOCIATION—that Gov. Dewey represents the opposition to Communism in the United States.

This being true and acknowledged, who then is the bearer of the COMMUNIST FLAG in the United States, and particularly in this election campaign.

It must be the Presidential candidate MR. BROWDER is supporting. And EARL BROWDER IS SUPPORTING THE

FOURTH TERM PRESIDENTIAL CANDIDACY OF FRANKLIN DELANO ROOSEVELT.

The COMMUNIST POLITICAL ASSOCIATION is supporting Mr. Roosevelt.

Not just by implication and inference, but by actual designation and proclamation, therefore, Mr. Roosevelt is the CANDIDATE OF COMMUNISM.

Earl Browder has openly thrust upon Mr. Roosevelt the FLAG OF COMMUNISM.

It is good to have this issue and these facts out in the

It is good to have Earl Browder, and his Communist Political Association, and the Political Action Committee, and all individuals and organizations seeking to COM-MUNIZE AMERICA THROUGH THE ROOSEVELT-NEW DEAL FOURTH TERM out in the open.

Now the American people know where to LOOK for the flag of Communism, and how to KNOW the bearer of it.

Now the American people know what cause is graced by THE AMERICAN FLAG, and who is the rightful and honored and proud and capable bearer of it.

Gov. Dewey is an able and worthy AMERICAN candidate, consecrated and faithful to an AMERICAN CAUSE. under the only flag of freedom, justice and humanity that has ever flown over this land and the only flag that ever WILL fly over it-our beautiful and beloved AMERICAN

## YOUR GIFT STARTS AT HOME AND GOES AROUND THE WORLD

Of course you care whether our men and women in service have the U.S.O., United Seamen's Service. War Prisoners Aid and other benefits. We know you care about and sympathize with the homeless, hungry women and children in war ravaged lands. We are certain you care deeply about the vital problems of health and welfare in this community.

Jameson Memorial Hospital was built in 1928, as the gift of David Jameson to the City of New Castle. Its modern buildings and up-to-date equipment have contributed much to the health and well being of the community. ### Young Men's Christian Association A Participating Agency in The United War Fund

The New Castle Association points with pride to 76 years of continuous service to men and boys of all ages in all kinds of worthwhile activities. These activities develop eadership and promote physical spiritual and mental growth. At the present time hundreds of former members of the local Association are now serving with the armed forces of our country Doubtless these men were better prepared for this service because of the service rendered by the local Association. All men in the armed forces are now considered members of all Y. M. C. A.'s and are extended the use of all its facilities.

### Ask Bob Hope — he knows!

"ONLY when you see the laughter mixed with tears will you know how much the U.S.O. Camp Shows mean to our fighting forces at the battle fronts," says Bob Hope. "As far as morale is concerned the shows are astabout as important to men

as food, clothing or medicine." What you give to your local Community War Fund for the National War Fund campaign is the sole support of the U.S.O. and other worthy causes. We can't let them down now! Won't you make your contribution a big one?

### Out of a foxhole on to the doleis this what you want for YOUR boy?

NO! And it isn't what he wants, either. Is this what he's fighting for?

Yet what else can you or he hope for under the present administration that fears peace, a fear instilled by eight years of failure to make a single job, though it spent billions without hindrance on its crack-pot, phony "pump priming" theories?

What else can you expect of an administration that created class consciousness, that has set friend against friend-an evil that never before existed in America?

This is the administration that has had unbridled powervested in one man whose very whims he makes law under the thin guise of wartime economic necessity.

Yet, after eight years of such arrogant power, ten millions of people remained jobless. It took a war to provide jobs. Must we have war to make jobs? Maintain jobs?

No! A sane government, a government that cooperates with industry, labor and capital, will make this the land of sound prosperity . . . the land to which YOUR boy can return knowing he will partake of that prosperity and security under free government.

If you want that kind of government . . . if you want your boy to enjoy the just fruits of his gallant sacrifices
